SPECIAL ARRANGEMENTS FOR THE 2021 INTERNATIONAL PROVERSE PRIZE FOR UNPUBLISHED BOOK-LENGTH FICTION, NON-FICTION OR POETRY, SUBMITTED IN ENGLISH.

**Please read and follow carefully the standard detailed instructions in Section C
of “Submission Guidance & Instructions 2021”.**

Having done so, however, please consider the following optional special arrangement(s).

Instead of printing out a copy of your entered work and posting it to the Hong Kong address given, you may choose to pay an additional fee of HKD140 or GBP18.00 per copy and the Prize Administrators will print out your entered work from your soft file for judging and administration.

In this case, please add the appropriate amount to the sum(s) described in “Proverse Prize: Terms and Conditions and Entry Form 2021” (p. 5).

For example:

A) If you are entering one work and paying the entry fee in pounds sterling (£) into the “Proverse” bank account in the UK and also asking the Proverse Prize Administrators to print out one copy of your work, then you need to remit GBP35 (fee) plus GBP2.20 (towards banking costs) plus GBP18.00 for printing out two copies of your work. Please total the amount and send it at one time.

B) If you are entering one work and paying the entry fee in Hong Kong dollars (HK\$) and asking the Proverse Prize Administrators to print out one copy of your work, then you need to remit HK\$320 (fee) plus HK\$75 (towards banking costs if necessary as specified in “Proverse Prize: Terms and Conditions and Entry Form 2021”, p. 5) plus HK\$140.00 for printing out one copy of your work. Please total the amount and send it at one time.

Please send copies of the soft file as explained in “Proverse Prize: Terms and Conditions and Entry Form 2021” (p. 4, section B).

PLEASE NOTE:

There is no change or optional special arrangement for submitting a) the entry documents together with b) evidence of payment / cheque, except that you may submit these from today up to 30 June 2021.
